Dear Candidate:

Congratulations! I am writing to let you know that the **Maryland Farm Bureau PAC** has voted to endorse your candidacy for the Maryland Senate in District 28. Our endorsement is made based on your support for the farm community, stated positions, actions taken in the past, voting record and on the recommendations of the Candidate Evaluation Committee of the county Farm Bureau. Some of the county Farm Bureau CECs conducted personal interviews with candidates. Others held phone interviews or simply reviewed the voting records and survey responses. We are pleased to list you among the candidates endorsed by the Maryland Farm Bureau PAC in 2018.

As an endorsed candidate, you may list the Maryland Farm Bureau PAC as an official supporter of your campaign. Maryland Farm Bureau members will be encouraged to vote for you, to volunteer on your campaign and to make contributions when possible. We will also publish your name among the list of endorsed candidates in social media and printed publications that are distributed to 36,000 households across the state. Organizational rules do not allow us to provide lists of members for your use.

We would also like to make a financial contribution to your campaign to help get your message out to voters and to ensure a victory on Election Day. Our contribution check will be forwarded to your campaign office in the next few days. Thank you for your support of the farm families of Maryland. We wish you good luck in the campaign and we look forward to working with you in Annapolis.

Sincerely,

MICHAEL CALKINS  
Chairman

MFB PAC – By Authority of Cathy Kaptain, Treasurer
