Dear Mr. Dotson:

I am pleased to inform you that our political action committee, NFIB MD PAC, has endorsed your election to represent Maryland's 28th Legislative District in the Maryland State Senate.

As the voice of small business, NFIB knows good small business policy starts with electing good small business candidates. Therefore, your election is critical to the small businesses in your district, and we look forward to working with you on the issues most important to them – health care, regulations, and taxes.

NFIB will work with your campaign team to promote your election through our political and grassroots programs. In the meantime, please use us as a resource for information. You may visit our website www.nfib.com/MD for regular updates on legislation and policies that affect small businesses across Maryland. Also, be sure to follow us on Facebook and on Twitter @NFIB and @NFIB_MD.

Once again, on behalf of NFIB members in the 28th Legislative District and throughout Maryland, congratulations on your endorsement. We are excited about your candidacy and eager to support it.

Sincerely,
